ENF-help requirements

- **Financial support**

- As a non-profit association Naginata Gorenkai is not able to bear the costs for the rental of the venue. Before we place the order for the venue we need the confirmation of the ENF that the costs for the venue (gymnasium, meeting room...) will be covered by the ENF. The fees for the whole event has to be set in this way

- **Staff**

- Naginata Gorenkai is a small group, so we need some people who would be able to help us with the organisation on spot (table chiefs, time-keepers, and so on). The detailed number will be given to you at the beginning of the 2012
